### Have a girls' night in to fight cancer

HOLDING a girl's night is not just about fundraising, it's also about raising awareness of women's cancer.

So, this year as part of Girls' Night In, the Cancer Council and local woman Patricia Carter are calling on all women to hold a shop-at-home party with UnderCoverWear, or to purchase one of UnderCoverWear's Supporting the Cause T-shirts.

\$10 from every Supporting the Cause T-shirt sold will be donated to breast cancer support services.

Patricia lost her sister to cancer 12 months ago and knows the sadness and helplessness that losing a loved one to cancer can cause.

The UnderCoverWear T-shirts can be ordered from Patricia at the Kangaroo Flat APCO service station from Monday, October 5 to Saturday, October 10 between 10am and 5pm.

■ Phone her on 0408 658 490 to place an order or to book your own Girls' Night In.

**GOOD CAUSE:** One of the UnderCoverWear T-shirts.
