Getting lippy

Ranfurly's Donna Kearns displaying the T-shirt she is helping Australian clothing retailer Undercover Wear sell to raise money for breast cancer research.

The T-shirt is available in a choice of colours — white with purple lips or black with pink lips — and have the message 'Support the Cause' on them.

Sales from the T-shirts have so far raised \$850,000 in Australia and New Zealand. "The T-shirts are not only attractive leisure wear but are also a great way of supporting research into a disease that touches more than 2500 New Zealand women each year," Ms Kearns said.

Women interested in supporting the cause are invited to phone Ms Kearns on: (03) 444 8356.
