## Hall funds raised

The ladies of Bredbo kicked off the new year with a fundraiser and social gathering for the Bredbo Community Hall. Ten ladies attended an Undercover wear party, the proceeds from which will go to the village hall. Organiser Robyn Wilkinson said together the ladies raised \$120 for the hall. "Everyone had a good night," Robyn said. The money raised will be spent to purchase new drinking glasses for the hall. A date has already been set for June when they ladies will gather and do it all again.
